STAR STATUS
OF AN ESTEEMED INSTITUTION

Islamiah College has been identified among the most prominent institutions in India by being reaccredited with ‘A’ Grade by the National Assessment and Accreditation Council (NAAC). The placement of Islamiah College in the map of premier Institutes is not surprising on seeing the quantum of efforts and strenuous endeavors of all the stake holders. Islamiah College has carved its niche built with Excellence, Credibility and Relevance as envisaged in the motto of NAAC.

The Chairperson of the NAAC Peer Committee had praised on the services rendered by this College for the uplift of rural, deprived and downtrodden society in the field of Education. He uttered that moulding a ‘below-par student’ into a good as done by the College is the task far above that of the City Colleges which are shaping the better students into the best. In that aspect this College not only imparts education but also empowers them as Employable. Remedial Classes are conducted for the UG and PG students off the college hours and Special Coaching is conducted for the students appearing for NET-SLET examinations and for those who take on the Government recruitment tests. At the outset, our students are nurtured into horses for the courses.

Mere academic brilliance did not fetch the laurels to this College; in addition, the social commitment has played another major role. Many Social Awareness programmes are being conducted in this campus under the banner of Rotaract, Citizen Consumer and Red Ribbon Clubs. Youth Red Cross Unit of Islamiah College is frequently organizing Blood Donation Camps. The lives of some rare blood group patients have been saved by our students. Our NCC and NSS volunteers move out to the villages to extend their Social Activities.

As the great Author, Ben Sweetland, quotes “Success is the Journey not Destination”, Islamiah College in now marching towards the immediate goal of achieving the status, ‘College with Potential for Excellence’.

Dr. S. Raja Mohamed Kamil

Secretary’s Message

The time has come to thank all the stakeholders for their selfless efforts to retain the quality mark to this great institution. I am very grateful to all those who have supported us directly or indirectly in bringing sea change in the atmosphere of the College. I take the opportunity to thank all of them who have involved in the process of reaccreditation. During the 95 years of academic journey, this College has proved its ability for sustenance of quality and now the stage is set for the Centenary celebrations. I appeal to all the stakeholders to participate and contribute to this Celebration scheduled in 2019. I am very much pleased to present the 19th edition of our College News Letter in a jubilant mode. Within these pages you will find much news related to diverse activities from the whole College community. I hope everyone will find this News Letter exciting and interesting. I wish all to have a wonderful new Academic year.

L. M. Muneer Ahmed

Principal’s Message

The new academic year is going to begin, and the College continues to strengthen its academic, administrative and infrastructural facilities. As the College continues to flourish, so do our faculty, staff, students and alumni. I am pleased to inform you that the College got the “A” Grade again from National Assessment and Accreditation Council (NAAC) during the second cycle of assessment and accreditation. I owe my sincere thanks to all stakeholders of this institution who have taken extraordinary efforts for our phenomenal success, and offer a great promise to continue to advance the College towards new levels of achievement. We have set our agenda to reach new heights in research and placement. The preparations are on the way to showcase our potential to University Grants Commission’s (UGC) peer team for identifying this College as a “College of Excellence”.

I hope Almighty will again provide power and patience to succeed our new goals. It is a matter of great joy for me to present this 19th edition as a heartfelt tribute to our Teachers and the Management members of yester-years for their noble service to this institution.

Dr. K. Prem Nazeer
